INGRAM
CPAs and Advisors

Let CRI help your business navigate and strategize around the complexity of taxes.

Why CRI?

Taxes are more than just the cost of doing business these days. Reducing penalties, maximizing the potential of your funds, and taking full advantage of available deductions are critical elements of a sound tax strategy that our advisors offer, but it doesn't end there. CRI's team of tax professionals provides businesses of all types and sizes with innovative tax compliance, advisory, and support services while also assisting them with business structure selection, M&A activity, and many other significant business decisions.

Related Tax Services:

- Cost Segregation
- Individual Tax
- International Tax
- Qualified Opportunity Zones
- State & Local Tax
- Trust, Estate & Gift Planning

Principal Service Offerings:

- Audit & Attest
- Cybersecurity & Data Privacy
