CCPA

CRI's team of Data Privacy Solutions Engineers provides your organization with the tools needed for CCPA compliance.

Why CRI?

Privacy assessments are a part of doing business in today's data driven climate. This is especially true with the passing of the California Consumer Privacy Act (CCPA) in early 2020. Affecting businesses that serve California residents, the CCPA requirements can be a maze of data collection and processing. CRI's team of Certified Data Privacy Solutions Engineers (CDPSE) has all of the tools to complete your CCPA assessment and ensure your business is CCPA compliant.
