

## CRI can help your Community Interest Realty Association maintain long-lasting curb appeal.

### Why CRI?

Whether your association represents homeowners, co-ops, condominiums, or timeshare developments, CRI's Community Interest Realty Association professionals provide valuable insights that help ensure your association remains compliant with all applicable federal and state rulings. Our relationship-based approach helps foster an atmosphere of trust across all involved parties, whether you are a board member, property management company, or a community association manager. Partnering with CRI to provide full-spectrum accounting and advisory services allows your association to set your sights on ensuring long-term value for your residents.
