HITRUST

A multi-faceted certification assessment like HITRUST deserves a multi-faceted team approach.

Why CRI?

As an approved CSF Assessor, CRI's team of HITRUST professionals assist your organization with your readiness assessment, navigating the MyCSF tool and HITRUST scoring rubric. When you are ready, CRI can act as your HITRUST assessor to help you complete the initial HITRUST certification process, interim testing, and two-year recertification cycle. Our commitment to continuing professional education in both hard and soft skill settings ensures that our auditors are always equipped with the most current knowledge and skills necessary to help your organization achieve HITRUST certification success.
