

Gain a competitive edge with CRI's multi-faceted approach to insurance regulatory compliance.

Why CRI?

As industry compliance requirements become more complex, insurance entities can gain an advantage by teaming up with financial advisors who have a good grip on the ever-changing rules. CRI can help your insurance company proactively plan around these directives by leveraging our hands-on experience working in and across the spectrum of the insurance industry. CRI's insurance professionals have a wide range of experience in specialized services like regulatory examinations and regulatory examination preparation, HITRUST engagements, financial statements audits & more to address our clients' unique needs.

Areas we serve also include:

- Carriers
- Captive Insurance Companies
- Agencies
- Third-Party Administrators
- Managing General Agents
- HITRUST engagements
- Departments of insurance

Related Services:

- Business Planning
- Business Tax
- HITRUST Certification
- Internal Audit
- NAIC IT Assessment
