

Place your NAIC IT assessment in the hands of CRI's IT Audit and Assurance professionals.

Why CRI?

Understanding the significant impact of information technology and security in today's insurance environment, CRI maintains a dedicated group of IT Audit and Assurance professionals. The group is staffed with highly skilled and experienced professionals ready to guide you through the National Association of Insurance Commissioners (NAIC) IT assessment process and provide controls testing to measure how your company's controls stand against this rigorous set of requirements.
